Comments: Dear Sirs,

On behalf of Horsham Society I wish to lodge a qualified objection to Planning Application DC/17/1982, which proposes the felling of two Horse Chestnut trees. The reason for the removal of these trees has not been made clear. However if approval is granted for their felling it should be a condition that the trees are replaced with another indigenous variety.

We would therefore have no objection to this application, provided that the approval provides for the replacement of the Horse Chestnut trees with an indigenous variety.

Yours faithfully,

David Griffiths. (secretary to the Horsham Society
Planning Sub Committee)
