Dear Sirs,

On behalf of Horsham Society, I wish to lodge an objection to Planning Application DC/18/0196, which is for the construction of 2 storey front and rear extensions to 30 Blunts Way..

The information pack submitted with the application does not appear to include a block plan. A drawing is required to ascertain how much the front extension steps forward.

The proposed front extension is unbalanced and most uncomfortable and also appears to sit notionally behind the building line. Consideration should be given to re-designing a more appropriate front extension.

It is for the above reasons that Horsham Society object to application DC/18/0196.

Yours faithfully,

David Griffiths.

Committee)
