Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DISC/18/0278, for the proposed construction of a canopy to the entrance of Piries Place.

We consider that the proposed design is inappropriate as it does not complement or reflect the adjacent buildings. Furthermore, we would question whether a canopy is required at all. We believe that a 'Piries Place' entrance sign, designed to blend with the adjacent buildings would be far more suitable and would sit far more comfortably in the surroundings.

Horsham Society have recently produced a Good by Design document, which has the backing of Horsham District Council. We would commend you to section 25.1 of the document, which recommends that new design should reflect the style of the building.

It is for the above reasons that we object to Planning Application DISC/18/0278.

Yours faithfully,
