Dear Sirs,

Further to our written objection of 20th May 2018 to Planning Application DC/18/0944, we are aware that the applicant has made certain revisions to the information which accompanies the application. We have taken the opportunity to review the revised documentation and regret that there is very little change to the original submission.

The site is still outside the established urban boundary of Horsham, and is not in the development plan which provides sufficient housing capacity (despite the applicant's attempts to rubbish it). Furthermore it is in a fundamentally unsustainable location.

Clearly the applicant has made no attempt to address the main issues of our objection, which remain totally unresolved.

Therefore on behalf of Horsham Society I wish to lodge an objection to the amended plans for Planning Application DC/18/0944, as lodged by the applicant. I would point out that the objections, as noted in our letter of 20th My 2018 still stand.

Yours faithfully,

 (secretary to Horsham Society Planning Sub Committee)
