Dear Sirs,

On behalf of Horsham Society I wish to comment on Planning Application DISC/19/0331, for the proposed conversion of existing office accommodation to two dwellings.

Whilst the property is a period property which forms a part of the heritage of Horsham and is one of great character, the proposed conversion results in two dwellings of vastly differing sizes. We consider the proposals result in one dwelling that is excessively small. Therefore, the design should be reviewed, to provide two dwellings that are more compatible in size.

Regarding soft landscaping, please ensure that the hedge boundary treatment to Hurst Road is retained.

It is for the above reasons that we have concerns regarding Planning Application DISC/19/0331.

Yours faithfully,

Secretary to Horsham Society Planning
Sub Committee).
