Dear Sirs,

On behalf of Horsham Society I wish to lodge an objection to Planning Application DC/19/0702, which is for a change of use from B1 to C3, providing the construction of 11 flats. Such a change would lose commercial accommodation, presently located in an industrial zone. Furthermore, such a change would result in a loss of employment.

A residential complex contained within an industrial zone would constitute a safety hazard.

It is for the above reasons that Horsham Society object to Planning Application DC/19/0702.

Yours faithfully,

 (secretary to Horsham Society Planning

Sub
Committee)
