Dear Sirs,

We have taken the opportunity to review details submitted in respect of Planning Application DC/19/0984, and would advise you that we object to the proposal that has been submitted.

We are concerned that the request to advance the Principal Access Works, in advance of approving outstanding conditions for the scheme, will serve to negate the possibility of future negotiations on the development.

Therefore we object to the amended proposal for Planning Application DC/19/0984.

Yours faithfully,

[REDACTED] (secretary to Horsham Society Planning
Sub
Committee)
