Dear Sirs,

Following the writer's recent discussions with the Case Officer - Tamara Dale, I would confirm the concerns of Horsham Society regarding Planning Application DC/19/1103, for the conversion of 3 East Street to an orthodontist surgery, and on behalf of the Society object to the proposed finishes to the frontage. I would point out that the location of the building is within a conservation area and we consider the finishes to be inappropriate to this setting. Whilst the covering to the windows has been reviewed and is now translucent white, we consider this should be set back from the shop front, thus allowing the window to be retained for displays. Furthermore, we believe that the colour of the external joinery should be reviewed, to introduce some colour into a somewhat bland frontage.

It is for the above reasons that Horsham Society object to Planning Application DC/18/1103.

Yours faithfully,

[REDACTED] (Secretary to Horsham Society Planning
Sub
Committee).
