Dear Sirs,

Horsham Society have taken the opportunity to review Planning Application DC/19/1824, and on their behalf I wish to submit an objection to the proposed construction of a 2 bedroom bungalow on land adjacent to No. 19 Hernbrook Drive.

The proposals clearly constitute an overdevelopment of the site, the proposed dwelling being 'shoe horned' into the available space between the two adjacent existing properties.

Little thought has been given to the present orderly street scene would be adversely affected with the introduction of this property, and which could also create light issues with the adjoining properties.

It is for the above reasons that Horsham Society object to this application.

Yours faithfully,

 (Secretary to Horsham society Planning
Sub
Committee)
