Reasons for comment: - Design
Comments: 1st October 2019.

Dear Sirs,

Horsham Society have taken the opportunity to review Planning Application DC/19/1840, and on their behalf I wish to submit an objection to the proposed loft conversion, including the provision of front and rear dormers to No. 19 Pondtail Road.

Horsham Society considers that the design of the proposed loft conversion is not acceptable, the massing of both the front and rear dormers being excessive and out of balance with the existing bungalow.

The existing street scene will be adversely affected by the enormity of the proposed front dormers, and consideration should be given to re-designing these dormers to provide a more pleasing appearance to the property.

It is for the above reasons that Horsham Society object to this application.

Yours faithfully,

 (Secretary to Horsham society Planning
Sub
Committee)
