Dear Sirs,

Horsham Society have taken the opportunity to review Planning Application DC/20/0273, and object to the proposals prepared by Krona Design to convert existing (B1a) office accommodation to (C3) dwelling apartments to be unacceptable, for the following reasons:

1) Abbey House is situated off Foundry Lane, which is in a commercial area. We consider the provision of residential accommodation in such an area to be unacceptable.

2) The proposals are for the partial conversion of Abbey House, resulting in the provision of both retail and residential accommodation in the same building, a situation we believe to be unsuitable. We also consider the proposed apartments to be under sized.

It is for the above reasons that Horsham Society object to Planning Application DC/20/0273.

Yours faithfully,

 (secretary to Horsham Society Planning
Sub
Committee)
