Dear Sirs,

Horsham Society have taken the opportunity to review Planning Application DC/20/1509, and object to the application, our reasoning being the same as our objection to the original application DC/19/0046.

"We consider the proposals constitute an over development of this site, reflecting the development to the rear of the property. Furthermore, the proposed

siting of the new dwelling would be way forward of the building line'.

It is the above reasons that we object to Planning Application DC/20/1509.

Yours faithfully,

(Secretary to Horsham Society Planning Sub Committee).
