Dear Sirs,

Horsham Society have reviewed details submitted for Planning Application DC/20/1323, and are concerned at the quality and lack of information provided. Furthermore, we consider that an existing garage will need to be demolished and relocated to enable construction of the new dwelling.

We believe that proposals to construct a 2 bed detached house would constitute an over development of the site and that the proposed design would not be in keeping with the street scene.

We therefore object to Planning Application DC/20/1323.

Yours faithfully,

(secretary to Horsham Society Planning Sub Committee)
