Comments: 2nd November 2020,

Horsham Society have reviewed Planning Application DC/20/1964, and object to the proposals on the following grounds:-

1) 'Wakefields', 11 West Street is situated in a conservation area, and we consider the proposed shop front would not be appropriate.

2) The proposals of a new flush glass wall as a shop front would mean the loss of a significant and attractive shop front, which

currently enhances the existing street scene.

3) Whilst we acknowledge that security needs to be provided, we believe that further consideration should be given to the design and installation of the proposed full width roller shutter.

It is for the above reasons that we object to Planning Application DC/20/1964.

Yours faithfully,

(secretary to Horsham Society Planning Sub Committee)
