Comments: 2nd November 2020,

Horsham Society have reviewed Planning Application DC/20/1965, and object to the proposal for the following reason:-

1) 'Wakefields', 11 West Street is situated in a conservation area, and we consider the design of the proposed fascia sign to be inappropriate for premises situated within a conservation area.

Lettering for the non-illuminated window sign should be styled to match that of the fascia sign.

It is for the above reason that we object to Planning Application DC/20/1965.

Yours faithfully,

(secretary to Horsham Society Planning Sub
Committee)
